

MAR GREGORIOS COLLEGE OF ARTS & SCIENCE
Alumni Feedback and Action Taken Report
2016 - 2021

Year	Recommendations and Suggestions	Implemented during the Academic year	Action Taken Report
2016 - 2017	The Curriculum and the elective offered did not meet the technological demands	2017 – 2018	Seminars and workshops were conducted to meet the industrial needs. Students Resource Team was formulated to impart knowledge on the recent trends in the technology. Add on Course 'Tally' was conducted for the students.
	Suggested to introduce high demand courses in UG		The two new courses B.Com A & F in shift I and B.Com C.A in shift II were introduced in the academic year 2017-2018
2017 - 2018	Need for Certificate Courses other than the prescribed syllabus	2018 – 2019	Departments were asked to conduct an Add on / Certificate courses by establishing Memorandum of understanding between the companies / Institutions / Academies
	Alumni of Commerce suggested to acquire knowledge through industrial Visits		Departments of Commerce (General), Computer Applications, Computer Science and Electronics arranged Industrial visits to meet the current industrial needs. Workshops were conducted to meet the emerging demands of industries in the contemporary scenario.
	Need to improve job skills		Add on courses such as 'Tally', 'Python' and 'Arduino platform' were introduced.
	Need to improve placement services		Induction Programme for TCS Ion was conducted for getting placements in TCS.

			<p>The Off Campus Pool drive for INFOSYS, WIPRO at SRM University was facilitated. Many students attended the drive and three students were recruited.</p> <p>The Off Campus Pool drive for TCS through TCS ION via online mode was facilitated, and a student was recruited.</p>
2018 - 2019	Need for skill based and recognized certificate courses to help in acquiring curriculum based knowledge enhancement	2019 - 2020	To facilitate students in the self-learning process, MGC became a local chapter in SWAYAM – NPTEL from November 2019. Many Students enrolled and completed successfully
2019 - 2020	Need for Hands on Training	2020 – 2021	<p>English is a weapon of empowerment. To empower students, Language Lab was set up as a platform to enhance students in communication skills, language skills and soft skills.</p> <p>Further, it proves to be a linguistic platform for students to study language scientifically. This kind of experiential learning was effective and created an indelible mark on the minds of the students forever.</p>
	PG students need to improve access to the educational resources		RFID software was implemented in the college library
	Lack of Communication Skill		Bridge course was conducted for the first years of all the departments to improve the skills of the students in personal and professional area
	Need for Certificate Courses other than the prescribed syllabus to bridge the gap between the campus and the corporate		MGC Placement Cell facilitates students to pursue courses through ICT Academy

	To improve the components of extra / self learning		<p>The Students Resource Team of Alumni Association took initiatives, and organized webinars to improve the learning skills of the students</p> <p>To develop job skills among the students, the SRT team of Alumni Association organized workshops and motivated the students</p>
2020 - 2021	Need for Certificate Courses other than the prescribed syllabus for the 2 nd and 3 rd year students	2021 – 2022	The Department of Computer Applications organized Refresher Courses for the students to promote excellence
	Need for hands on Training		Skills Development Programmes such as Jewels making, Fashion Design, Household pets, Tailoring, Craft Work etc... were organized by the departments to enhance the skills of the students
