

MAR GREGORIOS COLLEGE OF ARTS & SCIENCE
Employers' Feedback and Action Taken Report
2016 - 2021

Year	Recommendations and Suggestions	Implemented during the Academic Year	Action Taken Report
2017 - 2018	Suggested to introduce courses to improve students' skills for better job opportunities	2018 – 2019	<p>The Department of Commerce introduced a course on 'Tally' in Association with Tally Institute</p> <p>The Department of Electronics and Communication Science conducted a Handson Training on 'Arduino platform'</p> <p>The Department of Computer Applications conducted an Add on course on 'Python'</p>
2018-2019	Need for learning opportunities to promote self-study	2019-2020	To facilitate students in the self-learning process, MGC became a local chapter in SWAYAM – NPTEL from November 2019. Many Students enrolled and completed successfully
2019-2020	Need for Hands on Training	2020-2021	English is a tool of empowerment. To empower students, Language Lab was set up as a platform to enhance students in communication skills, language skills and soft skills. Further, it proves to be a linguistic platform for students to study language scientifically. This kind of experiential learning was effective and created an indelible mark on the minds of the students.

	Need for Certificate Courses other than the prescribed syllabus to bridge the gap between the campus and the corporate		Memorandum of Understanding was established between MGC and ICT Academy which enabled students to pursue courses successfully through ICT Academy
2020-2021	Curriculum and the elective offered did not meet the current technological needs	2021-2022	Department of Computer Applications organized Refresher and Certificate Courses to promote excellence among the students to avail best job opportunities in future
