

## ANALYSIS REPORT OF TEACHERS' FEEDBACK

### Academic year 2022-2023

The questionnaire intended to collect feedback regarding the curriculum including course objectives, course outcomes, syllabus, and the recent trends in the syllabus. This feedback helps in organizing various orientation programme, hands on training, faculty development programme. The feedback on the existence of higher order thinking among the students promotes the fact that the students are empowered with critical thinking and problem solving. We have obtained the feedback from teachers based on curriculum and ambience. For this purpose link was created in our college and was sent to them. Also the feedback help us to adopt various teaching methodologies, pedagogies for the best implementation of the curriculum.

There were 6 questions and the responses for each question is displayed below:

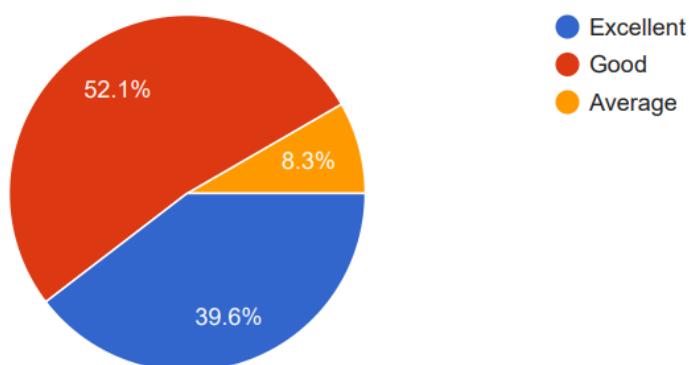

Number of Responses : 48
